RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Mail Stop Amendment
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed on September 28, 2004, Applicants hereby provisionally elect, with traverse, species I for initial examination in the present application. Claims 1-10 read on the elected species.

However, applicants respectfully traverse the election requirement since all of the identified species are sufficiently related that a through and complete search for species I would necessarily encompass a through and complete search for the non-elected species. Accordingly, it is respectfully requested that the election requirement be withdrawn and that all species claimed herein be examined.
